Sirs,

I knew from ;the start that I wouldn't be caught.

I didn't rob ;Northwest Orient because I thought it would be ;romantic, heroic ;or any of the other euphemisms that seem to attach themselves to situations of high risk.

I'm no modern Robin Hood, Unfortunately do have only 14 months to live.

My life ;has been one of hate, turmoil, hunger and more HATE, THIS SEEMDE TO BE :THE FASTEST AND MOST PROFITABLE way to gain a few fast grains of peace of mind.

I don't blame people for hating ;me for what I've done nor do I ;blame anybody for wanting me to be caught and punished, though this can never happen.

Here are some (not all) of the things ;working against the authorities:

I'm not a boasting man  
I left no fingerprints  
I wore a toupee  
I wore putty make-up

They ;could add or subtract from the composite a ;hundred times and not come up with ;an accurate description; and we both know it.

I've come and gone on several airline flights already and am not holed up in some obscure backwoods ;town, Neither am I a psycho-pathic killer. As a matter of fact I've never even received a speeding ticket.

Thank you ;for your attention.
